

**Susquehanna Chapter MOAA
General Meeting
Coakley's Restaurant, Havre de Grace, MD
18 March 2026**

The meeting was called to order by President Bob Beahm. The Pledge of Allegiance was recited, followed by an invocation by Chaplain Bill Whitford. A moment of silence was then held for fallen comrades.

While waiting for our guest speaker and dinner, Bob gave a few announcements to include that we are still working on a speaker for the May meeting, and that we have a speaker for July, but are working on the venue.

Following dinner, Dr. Asha M. George, Executive Director, Bipartisan Commission on Biodefense, gave an interesting and eye-opening speech on biological threat awareness, prevention, and challenges to protecting Americans from biological attacks.

The 50-50 raffle winner was Dick Gilligan who won \$62.00, which was donated back to the chapter.

The Benediction was given by Chaplain Bill Whitford. The meeting was then adjourned.

Respectfully submitted,

Connie Richardson
