## PRESIDENT'S MESSAGE

As we welcome 2026, I want to wish each of you a happy, safe and prosperous New Year. The Chapter had a great year in 2025 as we again were recognized by National MOAA as a 5-star awardee for both our newsletter and website. Larry Archer, our newsletter editor and Bill Beddow, our webmaster, have performed yeoman service to ensure our continued excellence.

Susquehanna Chapter has also been very active in using the MOAA Legislative Action Center to encourage Maryland's Congressional delegation to support legislation beneficial to military veterans and retirees. Almost 60% of our members have registered to participate and we have submitted over 170 actions, over 50% more than any other Maryland chapter. Keep up the good work.

We continue to see increased participation in our Veterans Day Poster and Essay Contest as submissions increased to over 100. Two of the winners will present their essays at our next general membership meeting on 21 January at MacGregor's in Havre de Grace. We will also install our officers for 2026 at that meeting as well as hear remarks by our guest speaker, COL Troy Johnson, APG's new Installation Commander. I hope to see you then.

The Chapter continues to support the JROTC program at Joppatown High School. The program is in its third year and has drawn over 50 cadets from Harford County. Our Chapter Vice-President, Ivan Montenez has taken on the liaison responsibilities for the program.

### From MOAA's Chairman: Building on Strength

#### By: Thomas Waldhauser

As your chairman, I am so proud of what MOAA continues to accomplish on behalf of the entire uniformed services community. Every day, MOAA's members, volunteers, and staff demonstrate that commitment through advocacy, outreach, and action.

In 2025, MOAA sharpened its legislative strategy with clear priorities and disciplined strategies that continue in the new year. Our Government Relations team has been hard at work on Capitol Hill — building new relationships and strengthening existing ones across the new Congress.

Our Advocacy in Action event once again brought MOAA members from across the country to Washington, D.C., to meet directly with lawmakers — an impressive demonstration of unity and professionalism that continues to set us apart.

Our grassroots network remains one of the strongest in the nation; amplifying our message through our constituent contacts makes a real difference in legislative outcomes.

We were named in The Hill's "Top Lobbyist" list for the 19th straight year, a mark of our sustained influence and the trust in our advocacy.

That same spirit of service was on full display at our inaugural TotalForce+ conference, where leaders from across the uniformed service, civilian, industry, and academic sectors came together to strengthen the all-volunteer force. The conversations and ideas shared there will shape our efforts in the years ahead, including as we look toward a number of smaller TotalForce+ events in 2026, with the full conference returning Feb. 1-3, 2027.

Please share the good work of our association throughout your network and in your local communities. Remind potential members of our greatest achievements.

From a personal perspective, I find my service on this board over the past five years, and especially now as your chairman, incredibly rewarding and gratifying. I want to express my gratitude to MOAA's dedicated council and chapter leaders, staff, and every member and volunteer who keeps our association strong. Your leadership, advocacy, and generosity drive our success.

Together, we will continue to protect what's been earned, champion solutions that strengthen the community we serve, and advance a future worthy of those who defend our nation.

Current Legislative Goals:

Compensations and Service-Earned Benefits, Military Housing, Health Care for currently serving, retirees, and veterans, Survivor families benefits, and improve Guard and Reserves pay and health coverage.

## SUSQUEHANNA CHAPTER MOAA:

Susquehanna Chapter, a 501(c)(19) nonprofit organization was affiliated in October 1969 with the Military Officers Association of America (MOAA), formerly TROA. Chapter members live in Harford and Cecil Counties. We promote the MOAA purposes and objectives to foster fraternal relations among retired, active and former officers of the eight uniformed services and the Reserve Components.

The chapter has 60 active members, who are currently serving, former, and retired officers, and their spouses and widows/widowers. Working through the Chapter, we provide assistance to our membership, enabling them to continue to serve their nation and communities, maintain contact with the other services, and enjoy social fellowship with people who share common values of patriotism, honor and selflessness.

Our Chapter helps provide critical grassroots support for MOAA's national legislative agenda. Our benefits are under attack, and MOAA is in the fight to preserve them. Chapter members let their legislators know what's on

their minds and open doors for MOAA's legislative team in Washington, D.C. In these difficult times, our chapters are the best way we know to do that.

At the local level we successfully advocated for reduction of Harford County property taxes for retired veterans and reductions of MD State taxes on retired pay for military members and first responders. We sponsored scholarships, engaged Harford County Board of Education to establish a JROTC program, and continue to coordinate community outreach to schools for Veteran Poster essay contests. We coordinated COVID 19 grants for qualifying veterans, volunteered with the Susquehanna Habitat for Humanity, and participate in local veteran memorial activities.
