....from the Board

Happy New Year and happy 250th USA! With the absence of a chapter president until the elections in October, the board has asked members of the board to write the President's newsletter message and I am the first!

I hope you all had a wonderful holiday season! Our December holiday luncheon at Musket Ridge was once again delightful and I think I can speak for all attendees that we especially enjoyed the performance of the Barbara Ingram School of the Arts.

The board held its first meeting of the new year and installed two new Directors- Dewey Painter and Fred Schumacher. Fred is also our TOPS Liaison. Dewey has also

volunteered to serve as Newsletter Editor (effective in March), relieving Jerry Schumeyer who has been doing it since the printing press was created! Thanks to Jerry for his many years of service to the chapter and to our new Directors for continuing to serve! Jayne Bongard volunteered to assume the position of Program Chair, relieving Hugh McIlroy who has multi-tasked this critical position along with being Treasurer for many years. - Thanks to both Jayne and Hugh! Board vacancies still remain. Most critical is the need for a Secretary and President.

For a variety of reasons, the chapter will not be sponsoring a golf tournament this year. However, If any member has an idea for a less resource intensive fund raiser, please let a Director know! The chapter still needs to raise funds for both worthy veteran organizations and

recurring chapter expenses (i.e. ROTC scholarships, insurance). A portion of the funds collected to attend chapter events are retained (average \$150 per event) as one source of the chapter's revenue (along with annual dues). So, in addition to enjoying a fine meal, comradery and interesting speakers, by attending an event you are also supporting the continuation and mission of our MOAA chapter. What a great value!

The chapter hosts 6 events per year, 4 luncheons plus our summer picnic at Ft. Detrick and holiday celebration. A list of locations and dates is in the newsletter. I hope you can attend our next luncheon on Saturday February 21st at Nick's Airport Inn in Hagerstown. Our guest speaker will be Cheryl Glang, the Maryland Council of Chapters Surviving Spouse Representative. Additional information and a sign-up form are in this newsletter. In closing, I can still remember where I was on July 4, 1976. It was strip motel in Idaho enroute to my first Coast Guard duty station in Oregon and I watched the statue of liberty light up on a black and white TV! How blessed we all are to have

experienced and witnessed so much in our lives these past 50 years and if you can't make it to any of the 250th anniversary celebrations at lease we now have wide screen color TVs!

Keith Midberry, LT, USCG, RET

2026 Annual Dues

Chapter dues for 2026 were
NLT Dec 31, 2025. Only 9 out
 of 33 2026 annual member
 dues have been paid! Dues
 are essential to the
 operations and sustainment
 of our Chapter. If you have

7 Good Reasons to Join Your Local MOAA Chapter

You know the value of
 belonging to MOAA and
 your chapter. But when
 you're talking to a potential
 new chapter member, it's
 important to remember that
 many officers might have
 only limited knowledge of
 MOAA's chapter system.
 Creating a dialogue and
 asking open-ended
 questions is the best way to
 find out if and how a
 chapter membership could
 help a prospective member.
 Here are some suggested
 reasons to give. Check out

Ask Your Lawmakers to Protect ALL Servicemember Pay During Future Shutdowns

As another federal fiscal cliff
 approaches Jan. 30, the only
 thing certain for
 servicemembers and their
 families is continued
 uncertainty. Without defense
 appropriations or last-minute
 budget moves similar to
 those used during the latest
 shutdown, military members
 would continue to serve
 without receiving a
 paycheck. Members of the
 Coast Guard and of the
 commissioned corps of the
 U.S. Public Health Service
 and NOAA face a future
 that's just as murky – USPHS
 and NOAA officers missed
 checks last year, including
 some officers who were
 serving alongside others in
 uniform. While lawmakers
 continue their budget
 debates, they can lend at
 least some clarity to a
 shutdown process that has,
 unfortunately, become a
 regular occurrence. The
 Shutdown Fairness Act (S.
 3168) would allow the
 Pentagon and the
 Department of Homeland
 Security to continue paying
 servicemembers during any
 future funding lapse. See

Platoon 22 Seeking Veteran Volunteers

Platoon 22 is seeking veteran volunteers to serve as mentors for participants in the Veteran Treatment Court in Frederick and Washington County. Veteran mentors provide peer support, encouragement, and accountability to veterans navigating the court process. Mentors do not provide legal advice, clinical services, or counseling. Your role is simply to show up, listen, and support a fellow veteran. Veterans do not need to be in recovery or have lived experience with the justice system to serve as a mentor, though lived experience can be helpful. What matters most is a willingness to engage consistently and support the veteran you are matched with. Veteran Treatment Court dockets are held twice a month on Tuesday afternoons at 2:30 PM in Frederick. Attendance is encouraged when possible; however, the most important commitment is ongoing engagement with the veteran you are serving. If you're a veteran looking for a meaningful way to give back and support another veteran's path forward, we'd love to connect with you.

Contact Niki@platoon22.org to learn more about becoming a Veteran Treatment Court mentor. (© Platoon22 2026)

PA News

The Pennsylvania House and Senate have Passed Resolutions urging the PA Delegation of the US House of Representatives and US Senate to support and pass the Major Richard Star Act. (The act aims to allow medically retired veterans with less than 20 years of service and combat-related injuries to receive both their full retirement pay and disability compensation.) Both the House and Senate have prepared letters to the Pennsylvania delegation of the US House of representatives and the two US Senators requesting that they cosponsor the Major Richard Star Act in the House and Senate, then vote to pass the Act when brought to the floor for a vote.

House Bill 1257 to expand the disabled veteran real estate tax exemption has been amended and waiting to be brought to the House floor for a vote. The amended version changes the eligibility for the tax exemption from 100 percent disabled to 50 percent through 100 percent disabled. Veterans would receive tax exemption equal to their disability percentage. Changes include removing the War Clause, including spouses of eligible veterans, including those who were killed in action, taken prisoner, or went missing in action. The bill was voted out of committee and waiting for a House floor vote.
